## A BILL FOR AN ORDINANCE

---

TO AMEND CHAPTER 21, REVISED ORDINANCES OF HONOLULU 1990, AS AMENDED (THE LAND USE ORDINANCE), RELATING TO HOTELS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose and intent. The purpose of this ordinance is to permit certain (limited service) hotels in the BMX-3 community business mixed used district. The Council finds that there is a growing demand for appropriately scaled, lower intensity hotel facilities which do not offer many of the same amenities (such as restaurants, retail establishments, or meeting spaces) as full service hotels. Such hotels are used primarily by cost-conscious business or leisure travelers.

SECTION 2. Section 21-2.40-1, Revised Ordinances of Honolulu 1990, as amended, is amended to read as follows:

**"Sec. 21-2.40-1 Minor permits.**

- (a) Specific Permits. The minor permit category consists of the following permits and approvals:
- (1) Zoning adjustment;
  - (2) Waiver;
  - (3) Existing use permit;
  - (4) Conditional use permit (minor); and
  - (5) Special district permit (minor).
- (b) Preapplication Procedures. Before submitting an application for a minor permit, except an existing use permit, for the following uses:
- (1) Transmitting antenna mounted on a building or rooftop in a country, residential, A-1, or AMX-1 district, or a freestanding antenna structure;
  - (2) Meeting facility;
  - (3) Day-care facility; [or]
  - (4) Schools: elementary, intermediate and high; or

(5) Hotel with up to 180 dwelling and/or lodging units in the BMX-3 district;

the applicant shall first present the project to the neighborhood board of the district where the project will be located, or, if no such neighborhood board exists, an appropriate community association. The applicant shall provide written notice of such presentation to owners of all properties adjoining the proposed project. Provided, however, that the requirements of this subsection (b) shall be deemed satisfied if the applicant makes a written request to present the project to the neighborhood board or community association and:

- (A) The neighborhood board or community association fails to provide the applicant with an opportunity to present the project at a meeting held within 60 days of the date of the written request; or
- (B) The neighborhood board or community association provides the applicant with written notice that it has no objection to the project or that no presentation of the project is necessary.

- (c) Application and Processing. An applicant seeking a minor permit shall submit the appropriate application to the director for processing. Once the director has accepted an application for a conditional use permit (minor) involving a meeting facility, day-care facility, [or] school (elementary, intermediate and high), or hotel with up to 180 dwelling and/or lodging units in the BMX-3 district, adjoining property owners and the appropriate neighborhood board or community association shall be notified of receipt of the application. Adjoining property owners shall be asked whether they wish to have a public hearing on the proposed project, and any potentially adverse external effects of the proposed project on the immediate neighborhood. If, in the judgment of the director, there is sufficient cause to hold a public hearing, the director shall hold a public hearing, which may be held within the area, no sooner than 45 days after acceptance of the completed application. Within 45 days of the director's acceptance of the completed application, the director shall either:

- (1) Approve the application as submitted;
- (2) Approve the application with modifications and/or conditions;
- (3) Deny the application and provide the applicant with a written explanation for the denial; or

- (4) Extend the processing period to 90 days in order to conduct a public hearing for a conditional use permit (minor) involving a meeting facility, day-care facility [or], school (elementary, intermediate and high)[.], or hotel with up to 180 dwelling and/or lodging units in the BMX-3 district.

Provided, however, that if an applicant substantially amends an application after acceptance by the director, the director shall have up to 45 days from the date of such amendment to act on the application as provided in this section."

SECTION 3. Table 21-3, Revised Ordinances of Honolulu 1990, as amended, ("Master Use Table") is amended by amending the "Hotels" use entry in the "Dwellings and Lodgings" category to read as follows:
